**Subject Line: Welcome from the Office of the Registrar**

Greetings from the Office of the Registrar at Lehigh University!

Welcome to Lehigh! We are excited to help you navigate the registration process as you prepare for your first semester. Though registration doesn't begin until mid-July, we encourage you to start planning in advance by reviewing our [First Year Student Enrollment Website](https://fysenroll.lehigh.edu) (fysenroll.lehigh.edu). This site contains everything you'll need to have a successful registration experience, including detailed information from each college/program and comprehensive tutorials on the registration process. In addition to exploring this site, be sure to read all materials provided by your college/program and check out Lehigh's other vital advising tools, such as the [Degree Works degree audit](#) and [Compass](#). These resources, among others, can also be found on the "Student Self-Service" card available at [connect.lehigh.edu](https://connect.lehigh.edu).

In addition to registration, our office is responsible for student academic records (including transcripts and grades), the University's degree audit system, transfer credit, classroom assignments, exam scheduling, and graduation clearance. We'll be working together a lot throughout your academic career, and beyond! Feel free to explore our regular website, [ras.lehigh.edu](https://ras.lehigh.edu), if you'd like to learn more about our team and our core functions.

Lastly, now that you're a Lehigh student, be sure to monitor your Lehigh University email account regularly for important updates on the registration process, including specific dates and deadlines. Your Lehigh email address will continue to be your primary form of communication with the University throughout your academic career.

If you have any questions, please email us at [ras@lehigh.edu](mailto:ras@lehigh.edu) or reach out via [live chat](#). We hope you have a fun, safe, and enjoyable summer and we'll be in touch again soon!

Sincerely,  
The Office of the Registrar
