

Subject: Important Registration Date Information

Dear [Student],

Registration for your Fall 2026 courses is right around the corner! **You will be able to register for your classes beginning [Date] at 10:00am EDT.** This initial registration period will remain open through July 31, 2026.

Lehigh started receiving AP scores and is applying all eligible credits to student records. AP and IB credit will continue to be awarded as we receive additional scores. Transfer/dual enrollment credits are evaluated on an individual basis and will continue to be reviewed throughout the summer; please allow ample time for credit reviews to be completed. You may view awarded credit on your [unofficial transcript](#) online through Banner.

Be sure to watch our [instructional videos](#) to become familiar with the registration process. When it's time to register, you can access the registration site directly by visiting [go.lehigh.edu/studentregistration](https://go.lehigh.edu/studentregistration). **PLEASE NOTE:** If you encounter any issues loading the registration site, you can troubleshoot the problem by clearing your browser's cookies and cache, using a different browser, or using an incognito window.

Prior to registering, you'll need to be prepared to accept the [Student Financial Responsibility Agreement](#). Questions about this agreement can be directed to the [Bursar's Office](#). And as a reminder, be sure to review the [First-Year Student Enrollment Website](#) where you can read information specific to your college/program, view sample schedules, review our [frequently asked registration questions](#), and [chat live](#) while you are registering.

We can't wait to see you in the fall!

Sincerely,  
The Office of the Registrar
